

Care Service

- We will always aim to provide perfect high quality service that exceed the reasonable expectation of our service users.
- We enjoy helping people and want to make a difference to their lives.
- We helped people with their daily activities, we work with children
- People with physical or learning disabilities
- Older people or families

We have experienced and trained care assistant and support workers. Our good work are transformed by our great working team. A good worker has a good caring and professional approach and an ability to relate to people from a variety of background. Patience and a sense of humour are also important.

We work with people in their own homes, in sheltered housing and day centres or nursing home (they are known as our clients). Our exact duties/role depend on the nature of the contract and service required

Contact Perfect Response Care Solution

Please call our friendly team to arrange to visit you for our initial assessment of need, whether it be for yourself or a family member. Depending on your requirements, we carefully select a trained carer who has the appropriate experience and qualifications that best meet your needs.

Providing help and support

Perfect Response Care Solution is committed to provide quality and high standards of professional care to those in need who choose to continue living in their home, sheltered housing, nursing home, care home. Our carers and support workers are well equipped with adequate training and required qualifications to enable them to carry out their duties efficiently. They undergo mandatory training and regular supervision.

Our Service include:

1. Getting to know the clients, their interests and needs.
2. Helping the clients with daily personal care such as washing, dressing, using the toilet and feeding.
3. Carrying out general tasks such as housework, laundry and shopping.
4. Helping families get used to the new caring responsibilities.
5. Working in collaboration with Health & Social Care professionals to provide individual care and support plans.
6. Helping to organise leisure activities.
7. Escorting the clients to and from residential home or taking a client who go to a local college, or taking a client to day centre, shopping.

Complaint

All our staff are well trained and experienced but we believe they can give our customers, Delegates, learners, service users (right): quality services and we hope you will never have any cause to complain about our services or our staff but if for any reasons you have cause to complain, we need to know about it so that we can put things right as soon as we receive the complaint. We will react to the matter and give you full comprehensive explanation and what the next steps are.
